

# Re-Registration for 2016-2017

Dear Parent/Guardian,

Thank you for your support over the past year. In order to help with planning for next session and to ensure that all our existing pupils can continue with their lessons without interruption I would ask that you complete the attached re-registration form.

Those choosing to continue with their current instrument will automatically be timetabled next session. Children requesting a change of instrument will be contacted after the summer and asked to attend one of the open days in September to try out their chosen instrument. Details of the open days will also be on our website.

Those children who are finishing Primary 7 will no longer be able to receive an instrumental lesson at the Music School but are most welcome to return and play in the Orchestra/Recorder Group and sing with the choir and/or vocal ensemble. Letters will go out after the summer with start dates.

Please return the form to Gillian Currie or your instrumental tutor by Saturday 7<sup>th</sup> May 2016.

-----cut here-----

Please complete clearly using BLUE or BLACK INK and BLOCK CAPITALS

I wish to re-register my child for tuition at East Glasgow Music School for the session 2016/2017

Name of Child:
