

Watermelon Seller

Melons! Won't you buy my juicy melons,
Won't you buy one for your mama,
So to quench her thirst today?
Buy one just to sink your teeth inside one.
Won't you purchase watermelon today
Before my song is through?

Gathered in the jungle where the birds sing their songs,
Ripened by the sun high above.
Fresh fruit, cut to sell in the market today,
Falling to ground, big fruit so round – see them lay!
They're lovely!
